A SPECIAL EDITON.

To Be Issued Soon By Our Neighbor, The Patriot.

From all appearances the edition now being prepared by our neighbor, the Greensboro Patriot, will be one of the most extraordinary "specials" ever issued in this part of the south.

It will appear as a comprehensive treatise of Greensboro and Guilford county, covering every subject of principal interest to the citizens of this section as well as the home-seeker and capitalist in quest of a place for profitable investment. Some thirty pages will be profusely illustrated by the half-tone process, with views of the streets, churches, schools, public buildings, factories and stores, with a quantity of historical and descriptive matter.

We undrestand it will require some two months to compile and edit this edition and that ten thousand copies will be printed f r gratuitous distribution where they will do the most good.

A work of this character cannot fail to benefit the city in more ways than one, and we wish the Patriot abundant success in the undertaking.

RIP VAN WINKLE.

Legend of The Catskills By Peruchi-Beldeni Company.

People at the Academy of Music last night saw some fine work in Irving's famous legend of the Catskill mountains, entitled Rip Van Winkle. Mr. Jas. G. Morton, as Rip, we have never seen equaled. Miss Beldeni, as Gretchen, Rip's wife and Miss Hazel Carleton as Meenie Van Winkle, both deserve special mention for the excellent interpretation of their parts. We believe the performance was thoroughly enjoyed by all present.

The play is a lengthy one and not so many specialties were introduced as on previous nights. However, Mr. Emile Subers, as a negro delineator, captured the audience with his songs. He is a clever young man and does his work well.

Tonight a beautiful play in charming costume, entitled "An American Heiress" will be put on. Matinee tomorrow afternoon and the closing performance tomorrow night.

ST. ANDREWS BAZAAR.

A Large Crowd at The Opening Last Night.

The Christmas Bazaar by the ladies of St. Andrews church had a most auspicious opening last night. A large number of the curious and hungry visited the apartments occupied by the Bazaar, in the large room over the Fishblate-Katz company's store, and the receipts at the different departments were very gratifying.

The art gallery or curiosity shop, managed by Mr. Clarence Bogart contains eighty-four selections from the world's most famous artists of both ancient and modern times. Among the best selections is De la Mares' world famous painting "The Horse Fair."

The Bazaar is interesting and attractive in every department, and nothing but a visit to the hall will give even a vague idea of the various exhibits.

The management has decided to keep the Bazaar open until after the show tonight, and until 10 o'clock tomorrow night, to give all a chance to visit the hall.

COL. BRYAN IN WASHINGTON

By a Coincidence He Meets His Late Running Mate.

SENATOR TILLMAN INDISPOSED.

Bill Introduced to Establish a Term of Circuit Court For Newbern and Elizabeth City.

Special to THE TELEGRAM.

Washington, Dec. 16—Col. William Jennings Bryan, who has just surrendered his commission as Colonel of volunteers to the war department is in Washington, having arrived in the city from Savannah, over the Southern railway late Wednesday night. During his stay in this city the Col. is making his headquarters at the Metropolitan hotel. During the day yesterday his room was continually filled with prominent and distinguished democrats. In the morning the Colonel received a delegation of newspaper men, who called for the purpose of paying their respects. In the course of a conversation Colonel Bryan stated that he has undergone no change in his convictions regarding the silver issue, and is just as much an advocate of free silver now as in 1896 when he was the democratic presidential nominee. He is however, opposed to the annexation of the Philippine islands, and regards the subject as the most important now before the American people. He expresses his conviction that the majority of the American people are, or would also be opposed to expansion, if they properly understood the import of the movement.

Among the visitors received by Col. Bryan during the day were, it would seem nearly all the democratic members of the senate and house. Among the more important callers were Senators Daniel, of Virginia, Martin, of Virginia, Allen, of Nebraska, Butler, of North Carolina, Morgan, of Alabama, Representative Rixy, of Virginia, and all of the Nebraska representatives now in the city, and Senator Gorman, of Maryland. The clerks at the hotel were kept busy sending cards to the room of the Colonel.

By a coincidence Hon. Arthur Sewall, the democratic vice-presidential nominee is also in the city, and was among the earliest of Mr. Bryan's callers, and was cordially received.

Senator Pritchard, of North Carolina, has introduced in the house a bill to establish a term of the circuit court for Newbern and Elizabeth City, North Carolina. The measure provides that terms of the circuit court of the United States for the eastern district of North Carolina shall be held at Newbern and Elizabeth City at the same times fixed by law for holding the terms of the district court of the United States at the same cities. Section 2 of the bill provides that the deputy clerks of the United States district courts at Newbern and Elizabeth City shall act as deputy clerks of the circuit court, unless the circuit judge and the district judge of the eastern district of North Carolina shall appoint deputy clerks of the circuit court for said terms.

Among North Carolina visitors in Washington is Mrs. Judge Bowman, wife of Judge Bowman. She is visiting her daughters, Mrs. Pritchard, wife of Senator Pritchard, and Mrs. W. S. Hyams. While in Washington she is visiting at the residence of the latter, and will remain here for several weeks.

Mr. J. T. Callahan, of this city and Alexandria, has left for a visit to Southern Pines, North Carolina. He has been in bad health for some time, and goes for the benefit of his health. After visiting Southern Pines he will go to Augusta, Ga., where he will spend the winter.

Senator Tillman for the past few days has been slightly indisposed, suffering from a cold. He has been compelled to remain at his residence, but receives callers as usual. The senator says he will be all right in a few days.

The senate yesterday afternoon took a recess from 1:30 until 3:30 for the purpose of enabling the sanators to attend the funeral of Mrs. Bright, the wife of the sergeant at arms of the senate. Neither of the North Carolina senators attended the services.

Special service has been discontinued in North Carolina, Waters, Burke county, from Muttenz.

Among North Carolina people in the city are Messrs. J. W. Cannon, and J. A. Smith, of Bessemer City.

In Congress Today.

Washington, Dec. 16—After routine business the house at 12:30 resumed consideration of the bill to carry into effect the recommendations of the American monetary conference.

The senate is not in session.

The Excursion Tomorrow.

An excursion from Jonesboro and intermediate points on the Cape Fear & Yadkin Valley road will come to Greensboro tomorrow. The prospects are for a fair and pleasant day and the railroad authorities say everything points to a large crowd. Many people will no doubt come for the purpose of doing their Christmas shopping and with the proper efforts to secure the trade and the proper inducements to purchasers, our progressive merchants should do a large business tomorrow. Put your store in holiday attire and by a pretty display and fair prices, make a good and lasting impression with the excursionists. Few things speak better for a town than elaborately decorated stores and fair and courteous treatment therein.

HE REFUSED AN INTERVIEW,

But Made Some Remarks That Are Interesting.

INSURGENTS WILL BE GOOD.

Admiral Dewey Believes There Will Be No Conflict—The Friendly Feeling Growing.

By Cable To THE TELEGRAM.

Manila, Dec. 16—Admiral Dewey came ashore today but refused to be interviewed. He turned an interview and said he was glad to learn the insurgents were releasing the sick Spanish soldiers who are prisoners, notwithstanding their previous refusal to do so. This proves the insurgents to be conciliatory in spite of their defiant talk. The Admiral says he has always believed the insurgents to be friendly disposed, and that the Philippinos are simply ambitious to attempt self-advancement in clamoring for independence, though they are unable to realize the full meaning. He further believes there will be no conflict, and that the friendly feeling is increasing. The newspapers are doing much to aid in this feeling.

Admiral Dewey further said: "Prior to the arrival of the monitors Monadnock and Monterey I felt uneasy; but now I am ready to hold this position against the whole earth." He expressed the opinion that it would be advisable to pay the Insurgents the arrears in ther wages. The whole amount would be a trifling sum, but it will have a valuable effect and may save incalculable trouble. The admiral is strongly convinced that the Insurgents deserve acknowledgments.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU.
HIGH POINT, N. C. Dec. 16

Greensboro seems to have "caught on" to the game of the Bell telephone and it seems the aldermen of that city were trapped. This same company applied for what they called a long distance franchise in this city, but our alderman "caught on" to their game. Our local exchange stated that they were in favor of granting the company a franchise for a long distance office and when asked if they would accept answered "no." We learn that their representative was caught in several misrepresentations. It was evident that he did not expect any one present who was posted. In this the gentleman was seriously in error. The present price of 'phones here for business houses is $2.00 per month and $1.50 per month for residences, and in most cases is giving satisfaction. Our aldermen are carefully considering the granting of a franchise to this freeze out concern, and we do not hesitate to say that we believe they will protect our local company.

The social last night at the Presbyterian church, complimentary to the members recently received, was well attended.

On account of the extreme lateness of the train last night two of our little carriers were compelled to go home before the papers came. Thus, part of our readers could not see the Telegram until this morning.

The family of Editor Foote have moved from over Tate's grocery to the house recently occupied by Rev. Mr. Kelsey's family.

Miss Clara Hamner returned last night from Greensboro after spending a week there with friends.

Mr. D. T. Marable is in the city representing the Phoenix Mutual Life Insurance Company of Hartford, Conn.

There were some young ladies in the city yesterday afternoon getting presents for the little orphans and they say it's an actual fact that they approached one man who was so crabbed that they could not stand him when they had mentioned their business. They did not say who the man was but said he owns and runs a store here.

Mr. P. H. Harrelson, of the firm of Harrelson & Crump, of Richmond, who has been here several days hunting with "Uncle Nick," left on the noon train for Virginia. He says he has enjoyed his stay very much.

FRIDAY, DEC. 16, 1898.

We notice that so far, certain editors who have been most severe in their denunciation of the Dukes and the American Tobacco company, touch lightly and handle very carefully the news that the Bull factory has become a part and parcel of the Union Tobacco company.

It is thought that the nomination of H. G. Ewart as judge for the western district of North Carolina will be confirmed when the next turn is made. Senator Butler still has his knife drawn, but the blade has worn short and blunt and he is not cutting much ice these days.

In the death of Mr. J. H. Mills, which occurred at his home near Thomasville, yesterday, a prominent figure has been removed. He was honored in life with positions of responsibility and trust, by the Baptists of North Carolina, and acquitted himself well. He was known as the father of the orphanage work in the state. Though his massive framed, and fertile mind are no longer active, he will live in the hearts of bis people.

It is evident that the republican party desires to make the next national campaign on the expansion idea. Very well, let it come; it will serve to expand the democratic party and to that extent we are in favor of it. We believe the people of the United States were in favor of the "war for humanity" only, and that they will put a seal of disapproval on the departure from the original declaration and the evident desire of the administration to take everything in sight.

THAT FRANCHISE.

The statement that the aldermen of Greensboro have granted a franchise for another local telephone system and did not know it, is rather a good joke on that honorable body, and the claim that they were fooled into it sounds rather like the confession of those wise and sagacious United States Senators who claimed that Lawyer Stahlman fooled the whole crowd into paying a large claim. Who is the Stahlman in this case?

The attempt to fool the aldermen, should be condemnd, if, indeed, such an attempt was made; but there can be no real objection on the part of the citizens of the city to competition in the telephone business. Mr. McAdoo's system should be protected as far as it is the business of the aldermen to protect any private business, and no farther. A maximum rate, however, should be fixed in granting a new franchise in order to protect the people against the dreaded tactics of the larger and more powerful telephone corporations.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you can not get a better price for it?

Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best?

If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one.

This explains the large sale on Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy. For sale by C. E. Holton.

The Hamilton club, of Chicago, will send 100 members to the inauguration of Roosevelt, an honorary member, as Governor of New York.

Pains in the chest when a person has a cold indicate a tendency toward pneumonia. A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the chest over the seat of pain will promptly relieve the pain and prevent the threatened attack of pneumonia. This same treatment will cure a lame back in a few hours. Sold by C. E. Holton.

Mr. J. F. Griffith was elected mayor of Winston last night to succeed the lamented Col. A. B. Gorrell. Mr. Griffith was formerly mayor pro tem. Alderman R. I. Dalton was chosen to fill the latter's office. Mr. Joseph Jacobs was elected alderman to fill the vacancy caused by the resignation of Mr. Griffith as alderman.

When you ask for De Witt's Witch Hazel Salve don't accept a counterfeit or imitation. There are more cases of Piles being cured by this, than all others combined. Howard Gardner.

The supreme court of Missouri has declared unconstitutional the law taxing foreign car companies 2 per cent.

The greatest luxury to this century is R. A. Patterson's Lucky Strike plug and cut-plug for smoking and chewing. For sale by all tobacco stores, drug stores and hotels in this city.

Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon and is pleasant and safe to take. Sold by C. E. Holton.

The Detroit Council has rejected street railway propositions for new franchises and the 3-cent-fare rate stands.

Constipation prevents the body from ridding itself of waste matter. De Witt's Little Early Risers will remove the trouble and cure Sick Headache, Biliousness, Inactive Liver and clear the Complexion. Small, sugar coated, do not gripe or cause nausea. Howard Gardner.

Nathaniel Thomas and Clarence Emmons were killed and William Markley was fatally hurt by a mill explosion at Pettisville, O.

Discovered by a Woman

Another great discovery has been made, and that too, by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for consumption, and was so much relieved on taking first dose that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hammick & Co., of Shelby, N. C. Trial bottles free at C. E. Holton's drug store. Regular size 50 cents and $1.00. Every bottle guaranteed.

Some
people who have defective
Eyesight
seem to think anything will do so it is a glass in front of their eyes. This is not right. Each Eye should be thoroughly examined and if GLASSES will correct the defect, have nothing but those that thoroughly meet the demand. The same principle applies to the TEETH. My practice and whole study and attention is confined to THE TEETH and THE EYES. Consultation and Examination Free.

After Many Days

Opening of a Chestnut Burr and several other popular writings are the production of a well known and able author.

His success has come from the solid, impregnable foundation upon which he bases his stories.

The success of the demand created for our $10 all wool worsted suit has the same broad foundation.

A cloth made of pure straight wool, fast dye color, lined with splendid quality satin, satin piped seams, sewed with fast dye silk, **Cut to Fit,** coustitutes a suit that any man is well dressed when he dons it.

A Drunk and Down.

As Policeman Jordan, who changed at noon yesterday from the day to the night force, pursued his cold and lonely beat in the dark last night and came across the limp and lifeless-looking figure of a man sleeping soundly on the bare, cold ground. An empty bottle found near by told the tale. The fellow was too far gone to be aroused but the officer, fearing that the man would die from exposure, decided to carry him to a hard but warm bed. He secured a carriage and carried his burden away. This morning an Irish moulder woke up in the calaboose. He is a tramp and evidently used to exposure, for he was little worse physically for having spent part of the night on the ground.

Fire At Germanton.

The residence of Dr. Hill at Germanton was destroyed by fire yesterday afternoon. It is thought the house caught from sparks from an engine on the C. F. and Y. V. railroad. This is mere conjecture, however. The amount of loss and insurance is not learned. The house was a good one—one of the largest in the place, and we are sorry to hear of Dr. Hill's misfortune.

Music may have charms to soothe the savage, but it is the popular airs that give him that tired feeling.
There is nothing, however, that will make a man so downright tired as to tackle a big Christmas turkey with a carving knife that is dull enough to suggest that the cook uses it all the rest of the year in splitting kindling wood. When you have bought your Christmas turkey, let your next move be to Odell's, where they are selling Carvers that are fine, Carvers that are medium, Carvers that are cheap, but all of good material, warranted to cut.
